Dear Sirs/Mesdames:

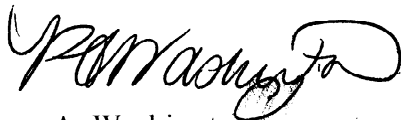

Re: Opinions on Physicians Counselling

It is our pleasure to enclose printed copies of two opinions: The first examines a physician's responsibilities when counselling with respect to ETS issues, the second with respect to smoking cessation therapies.

We have also enclosed, for your convenience, a floppy disk with both documents on it in Word format. We hope that the enclosed will be of assistance to you in your efforts; if you have any questions regarding the opinions, or would like clarification on a given point, please do not hesitate to call.

Yours truly,

BULL, HOUSSER & TUPPER
